

South Toe River Fishing Guidelines

Welcome to Mount Mitchell Golf and Fish Club on the South Toe River! We hope you enjoy your time on our pristine waters. We have a few guidelines to ensure their preservation for guests for years to come. With your purchase of a fishing pass, you agree to comply with our rules and regulations. Passes can be purchased in the pro shop between 8am and 5pm daily.

DIRECTIONS

After purchasing your permit, you may fish between the chain across the river on the #11 green and the maintenance building on #16. Fishing is NOT allowed above #11 or on the front nine holes of the course. This property is privately owned and fishing there is not included in this permit.

PARKING

Parking is allowed at the clubhouse or maintenance building only. If parking at the Maintenance Building please park on the left side of the parking lot so equipment can still access garage bays. Riverlinks Dr. is a private residential road, cars parked illegally in the cul de sac or along the road may be towed.

Maintenance Address

49 Riverlinks Dr
Burnsville, NC 28714
